Dear Parent(s)/Carer(s)

### “MOCK RESULTS”

As we shared last term, today your son/daughter will receive their mock results. This is a great opportunity to look at the grade they would have achieved if they had sat the actual examination in December.

Some people will be **very pleased** with their results – **some people** will need to **think carefully** about what to do to improve.

The mocks are designed to give your son/daughter the opportunity to get some examinations experience and receive an outcome grade.

To those students who achieve their target or better – Well done! – but the journey is not over and hard studying must continue to **maintain** these excellent grades.

For those people who are below grade – **several things must be considered:**

- 1) Am I working as hard as I can?
- 2) Do I put enough detail into classwork or homework?
- 3) Are all my notes complete for the subject?
- 4) Am I attending revision classes (Period 6's)?
- 5) Am I revising enough? (completing papers at home, monitoring notes, self-testing)
- 6) Am I seeking help where I need it (asking your teacher or tutor)
- 7) Am I acting on advice to improve my Grade?

These results should be a point of reflection on how to maintain and improve grades. The results will be posted out to you this afternoon.

If you have any concerns, please contact your son/daughter's Head of Year, Mr D Cox or Progress Leader, Miss J McDonald.

Yours faithfully
