Dear Parent/Carer

Intervention Timetable to support GCSE preparation

We offer an extensive afterschool timetable to support our Year 11's progress towards achieving their target grades in their subjects. Please find below our period 6 timetable made for your child's needs, to help them progress and prepare them for their GCSE exams. Subject specialists run these sessions to support students' progress, the completion of their coursework, and ensure adequate preparation for their upcoming examinations. Students will be told where there is a clash, which subject to attend.

Please expect these sessions to change as we adapt them for the progress needs of our Year 11's, we will write to you again when this is the case.

These sessions will run throughout the term from 3-4pm. We know you will support us in encouraging attendance to these sessions, should you have any questions please contact us at the Academy.

Yours faithfully

Mr D Price
Assistant Headteacher
