Dear Parent/ Carer

Important Year 11 Easter Revision

I am writing to update you about Easter revision school. This will be taking place on Monday 10th April to Thursday 13th April. These sessions run from 9.30-12.30 and provide an excellent opportunity to revise and prepare for the forthcoming exams. There is no charge for these sessions.

Sessions will be running in English, Maths, Science and several other Foundation Subjects across the four days. Subject teachers will advise students about the suitability of the sessions running but we hope that all students will endeavour to attend in order to achieve the best possible grades.

I would also like to take this opportunity to remind you about GCSEPod, Park Hall Maths, the Science department website and MyMaths online revision websites. We have purchased a subscription and unique login for every Year 10 and 11 student.

If you have any questions about any aspect of these revision sessions then please do not hesitate to get in touch with your child's Head of Year or Progress Leader.

Yours faithfully

Kerry Jones
Head of Year 11
